**SUPPLEMENTAL RESPONSE TO RESTRICTION/ELECTION REQUIREMENT**

Sir:

This communication is in response to the communication mailed February 12, 2008 in which the Examiner held the December 26, 2007 response to the Restriction/Election Requirement non-responsive. Specifically, the Examiner clarified that applicant is required to make two elections, one election for each category I and II.

In accordance with the Examiner's instructions, Applicant hereby elects with traverse the following:

**Category I (Clamping cylinder), Species shown in Figure 1; and**

**Category II (Build-in module), Species shown in Figure 7.**

**Applicant asserts that claims 23-39, 41 and 44-46 read on these two selected Category/Species.**
